FALL FEMALE

Sale

FALL FEMALE sale

Friday, August 27, 2010
 Red River Livestock Auction, Ardmore, OK
Located at Exit 24 off I-35

Welcome ...

Welcome to our first annual Bred heifer sale. In the past several years we have sold our yearling heifers in the June Bred to Buck Sale. When we sell bred heifers in June those females are sold as pasture exposed due to the time of the sale, so we felt it would benefit our customers if we would wait until those females could be confirmed safe with calf prior to selling them. We will have the current pregnancy status on all the females on sale day.

This is a great set of females. They represent 30 plus years of proven Bucking Bull genetics and are mated to some of the best bulls in the business. Many of these females are out of our embryo transplant program and if you have followed our program in recent years you know that we have rigidly culled our cow herd and only the best stayed!

These females are the next generation; they are the mates to what we believe is the best set of yearling bulls we have ever produced. Their bull mates that sold in the Bred to Buck Sale averaged over \$10,000. Study the pedigrees, look over the stock, and buy with confidence!

We would like to send out a huge thank you to the PBR and the ABBI for all they have done for our industry. We also want to thank the guys that make it happen for us here at home every day; Jackie Hunter, Buddy Lewis, KJ Pletcher, and our great neighbor Cliff Wiggins.

Don't miss an action packed weekend of Bucking Bulls. We look forward to seeing you Friday at the Sale and Saturday for the Futurity and Classic.

Thanks for your interest,
 D&H Cattle Co.

ROUGHWATER
PAGE BREEDING

- AI Bred on 5/10/10 to 10-5 Crosswired.
- Stray Kitty was a true super star at an early age. He was the ABBI Finals Futurity Champion, ABBI Finals Classic Champion and PBR Short Round bull. The way his offspring are producing and bucking there is no doubt his legacy will continue.
- She is a maternal sib to a host of great females as well as 322 Dirty Doug, 2006 Wild Card Reserve Champion.
- The Roughwater females cross well with everything. Roughwater is the sire to Holy Moly.

PAGE 767T PAGE 4625-300 (MOSSY OAK MUDSLINGER)

- AI Bred on 5/10/10 to 10-5 Crosswired / Pasture Bred to 327 Commotion.
- We purchased Smooth Move for two reasons; one, we thought he could be a Classic Champion and a PBR Super Star, the other reason, we believed he would be a huge asset to our breeding program. Unfortunately, he had a short career due to injury which later resulted in death. However, he is siring some of our best young bulls.
- Here is a line bred Smooth Move female. Line breeding has proven to produce some of the best bulls in our program.

Lots 34 to 53 are consigned by Cliff Wiggins. Cliff is no stranger to the Bucking Bull Business and has built a program with Page genetics. Cliff has had great success in the Futurity & Classic events over the past few years. He owns two PBR superstars, Crosswired and Surefire. Anyone who has attended the Bred to Buck Sales knows that Cliff Wiggins has been there and bought several of the best ones every year. As a result, he has a great cowherd. Cliff has never sold any number of females before now. This is a great set of yearling bred heifers sired by two of the PBR's best. Cliff recently bucked all of his yearling bulls, they were sired by Crosswired and Surefire. KJ Pletcher, (who we respect his opinion of bucking bulls 100%) said that was the best set of bulls he has ever seen buck! This is an outstanding set of females sired by two great bulls and out of the best set of cows money can buy!

SHAKE RATTLE N ROLL

COFFEY BREEDING

- Forty days bred to either 460b, Tahonta son out of Happy Hour cow or 651b a double bred Mossy Oak Mudslinger son.
- Western Wishes was the Ironman of the Bucking Bulls. He was on the truck every time it pulled out and he bucked every trip!
- The Western Wishes daughters have proven to be some of our best producers.
- Her dam is sired by Shake Rattle & Role out of a Coffey bred female.
