

Yearling Bull Sale

Saturday April 26, 2014

Chisholm Trail Hall at the Jack A Maurer Convention & Simmons Center
800 Chisholm Trail Pkwy, Duncan Oklahoma

Welcome to our Yearling Bull Sale & \$100,000 Incentive Futurity

We are excited about this event for several reasons. This will be our first Incentive Futurity with \$100,000 added to the pot, with \$50,000 guaranteed to the winner, and this will be the first time to have our sale in conjunction with the TwoBulls Challenge Futurity. It's going to be an exciting weekend of bucking bulls topped off with the opportunity to buy a yearling bull that will be eligible for our 2015 Incentive Futurity.

This yearling bull sale is one of the highlights of our year. In preparation for this sale we spend countless hours sorting through our yearlings to identify the bulls that we believe have the most potential to compete. In that process it also shows us the sires that are producing as well as the dams. These bulls are all backed by proven genetics. As you look through the catalog you will see several sires that you may or may not recognize, but we can guarantee we bred to them for a reason. There is much thought put into the bulls we breed to.

We are proud of the bulls that sold in our past Yearling Bull Sales and how they have performed for our customers. Those bulls have won at every level of competition, and many have been selected to go to the PBR Finals and the NFR as mature bulls. There were 22 bulls with a Rocking P on their hip that bucked in the PBR Finals, we are very proud of that.

We would like to say thanks to our crew and family that make this operation successful. And a big thank you to Jim McClain for all his help.

We have 100% confidence in this set of bulls. Study this catalog, check out the videos, and feel free to give us a call.

Thank You,
D&H Cattle

Here's one to watch. He's sired by a proven sire of great ones, Smooth Move. His dam 255-152 is not only our top producing female, she is the leading producing dam on Pro Bull Stats. She is the dam to Good Time Charlie, Check Out, Chin Music, Early Bird, and Last Resort to name a few. Perhaps her best one to date is Bruiser, a three year old that is a special one. This is the first time we have mated her to Smooth Move, this should be big time good!! His first trip he was a couple of jumps with a big turn back to the left.

But, we mostly selected him for his ability to jump in the air with his front end and follow up with a big kick. In today's futurities and classics bulls must be able to kick through their turns while spinning.

This little black bull is exciting to watch. He has the leap and kick we are looking for. His dam is a Stray Kitty out of 255-152, the most decorated cow on our place. You can look her offspring up and she'll have more bulls on Probullstats.com than any other female. Her offspring are just as great as she is. This is a mating that works.
